

## Logistics for the Meeting

All talks will be held in the **Marv Nelson Science Learning Center** in Room SC 101. Registration will start at 8am.

### Instructions for Speakers:

The room is equipped with a 1024 x 768 resolution projector and has two screens. If your laptop uses hdmi, please bring your own adapter to connect to a VGA cable or use a flash drive. If you have any other concerns, please contact the local organizer **Chitra Solomonson**. ([csolomonson@greenriver.edu](mailto:csolomonson@greenriver.edu)).

### Parking

Please note: Parking on campus will be **very difficult after 8am**. Please follow the instructions below for parking at our **off campus site**.

[http://www.greenriver.edu/news/parking\\_101.htm](http://www.greenriver.edu/news/parking_101.htm)

### Shuttle Schedule:

Click the link below to see when the shuttle runs from the off-campus parking site (Pacific Raceways) to campus and back:

[http://www.greenriver.edu/about/transportation/shuttle\\_schedule.shtm](http://www.greenriver.edu/about/transportation/shuttle_schedule.shtm)

The shuttle drop off is at the North end of the Holman Library. Look for the bright pink PNACP signs that will lead you to the Science Center. There will also be signs posted from the East and West entrances into the campus. Campus Maps will be available both at the hotel and with the shuttle driver.

Since it may be difficult to catch the last shuttle from campus, we have arranged for buses to take the attendees back to Pacific Raceways at 3pm so that they can drive back to campus and park on campus for the rest of the day. The buses will run from the traffic circle next to the Administrative Building to Pacific Raceways. **This is important because there will be no transportation back to Pacific Raceways after 5pm!**

**Maps from Best Western Peppertree Auburn Inn to Green River Community College will be available at the hotel.**

### Lunch:

It is not practical to leave campus for lunch. The cafeteria located in the **Lindbloom Student Center** serves sandwiches, soup, pizza and salads. There is also a Latte stand at the Tech Center next door that serves soup and snacks. We will have \$1.00 coupons at the registration table that can be used in both these places. **The St. Helens, Olympus and Baker rooms** (right next to the

cafeteria) have been reserved for lunch for conference attendees. The **Board members** will meet in the **Rainier Room (second floor in the Lindbloom Student Center)**.

**Banquet:**

The no-host social hour and the banquet will be held in the **Glacier Room (next to the cafeteria in the Lindbloom Student Center)**.

**Banquet Talk:**

The talk will be held after the banquet in the gym.
